RW Tool

The drawings, photos and graphics used are for illustrative purposes only.

Overview

RW Tool enables configuration of connection between RADWAG weighing instrument and customer's wireless network.

This tool requires the weighing instruments to be equipped with Wi-Fi and the user to have a phone with Android OS.

To download the program click below: [RW Tool](#).

Currently RW Tool enables configuration of wireless network in WLC, WTC, C315 weighing instruments.

* Wi-Fi® is a registered trademark of Wi-Fi® Alliance.
