ZT 220 Zebra Printer

The drawings, photos and graphics used are for illustrative purposes only.

Overview

Whether you are adopting barcode technology for the first time or upgrading existing printer models, the ZT200 series is the right choice for a variety of labeling applications. This innovative new printer provides many user benefits. The ZT200 series offers a streamlined design and smaller footprint that takes up less physical space than the Stripe and S4M models. ZT200 series printers require minimal operator training and benefit from tool-less standard component maintenance and a durable design to minimize service. Your IT staff will appreciate the backwards compatibility, since it allows for new printers to be up and running with minimal time and effort. The ZT200 series has been designed for ease of use, versatility and outstanding value. The printer comes standard with a power cord.
